

FOR STRESS-FREE DRIVING

J. safeguard Lite 12 months/20,000 km

599 € (incl. VAT 24%)

Can be admitted to used cars with a model year of 12 years or less from the admission date, on the condition that the vehicle in question has been driven less than 250,000 kilometres and has a cubic capacity of less than 3,200 cm³.

This is what J. safeguard Lite covers:

ENGINE

The following lubricated parts inside the engine: camshaft and bearings, connecting rods and bearings, crankshaft and main bearings, oil pump, push rods and lifters, pistons, piston rings and pins, rocker arms and bearing sleeves, valve springs, guides and seats (excl. guide gaskets), exhaust manifold, oil pipes, pulleys, oil sump, timing belt/chain, sprocket and tensioner. Covers, housings, engine blocks, and cylinder heads are only included in J. safeguard if they are damaged due to an internally lubricated part breaking. Insulations and gaskets only if the above vehicle parts are replaced.

GEARING

Automatic, manual or transfer gearbox: all internal lubricated parts within the transmission (excl. clutch), cooling pipes (metal), fasteners, torque converter, flywheel, oil pan. Gear or transfer gearbox, insulations, gaskets and oil only if the transmission is dismantled due to an above part breaking.

TRANSMISSION

All lubricated parts within the drive shaft assembly, axles and differential joints, rubber covers, drive shaft housing, drive shaft support, differential gear housing, front hub traction locks, drive shaft, universal joints. Insulations and gaskets only if the above vehicle parts are replaced.

TURBO

Supercharger/turbocharger housing, internal lubricated parts, oil lines, fasteners. Insulations and gaskets only if the above vehicle parts are replaced.

IN CASE OF A SUDDEN BREAKAGE OF THE VEHICLE, PLEASE DO THE FOLLOWING:

When you need your vehicle repaired due to breakage of a part or component included in the list of components being compensated by the safeguard programme, call the number listed below or present proof of your safeguard deal at the repair shop. The representative of the repair shop calls the customer service number and requests approval for the repair. Compensation applications are accepted over the phone so that your car is in working order as quickly as possible.
